

2019 Grand Farms Summer Derby

A few housekeeping items for when you get here:

- Cross Country vests are required for the jumping phases
- Ribbons to 8th place, tons of prizes, plus a low score prizes for lowest score in Grasshopper/Hopeful/Starter and Beginner Novice/Novice/Training.
- At check in, you will pick up your numbers (please return these when you pick up tests/ribbons/prizes) and there will be riding and XC releases for you to complete.
- Feel free to add extra rounds as needed, check in to book and pay at registration desk.
- Coaching is permitted in the Grasshopper and Hopeful classes, without penalty.
- We run 'Lincoln Creek' modified rules – 20 penalties per stop, 60 to skip a fence, no timing (tie breaks with supplemental marks on dressage, and if that's tied, we survey jump judges on equitation). Our goal is everyone gets around!
- Tests may be read at Beginner Novice and below.
- Warm-up will be about a 5 minute walk (each way) from dressage, so please plan accordingly
- Breakfast sandwiches, and burgers and hot dogs will be available for lunch, for donations to Area VII Young Riders!
- We will have a small tack sale going as well with new and used tack, so allow some time to shop!
- Water for horses is available.
- Cross-country schooling will open up after the last round (approx. 3:30 pm) for competitors and non-competitors for a special price of \$30 per horse/rider (normally \$45). Vests and releases required. Check in and pay at the registration desk.
- Parking:
 - All car parking will be in the gravel lot immediately adjacent to the indoor arena.
 - Horse Trailers- Please pull all the way up the driveway and follow the upper driveway toward the barn. There will be a parking attendant to help you back in (or back you in!) to maximize space. Parking will be a bit tight, but we have a plan so PLEASE listen to the parking attendant and the signs, to help simplify your ability to get out and everyone's ability to park. The turn around loop is now a one way road, coming up to the barn first and then going around and through the lower lot, which will make it so you can pull straight out when it is time to leave. You will be parked pretty tight to allow room for everyone.

Looking forward to seeing everyone on Saturday!!
